

MacroScope Strategies

Navigating the New World of Diplomacy and Government Affairs

ABOUT US

We are a boutique, partner-driven, consultancy that helps companies, governments, diplomatic missions, and international organizations navigate the new world of diplomacy, geopolitics, and government affairs.

OUR SERVICES

Diplomacy

We help our clients to navigate diplomatic engagements, develop diplomatic strategies, and deliver bilateral and multilateral projects.

Government Affairs

We advise clients on the impact of political and regulatory developments and help them navigate complex decision-making processes.

Market Access

We help clients survey, understand, and enter new markets, and advise them on political, geopolitical, and regulatory risks.

Risk Monitoring

We track, monitor, and analyze regulatory challenges, policy issues, and risks that keep our clients ahead of the news cycle.
